

Morr Range LLC Rules and Policies 11-2017

General Safety Rules

1. Treat all firearms as if they are loaded.
2. Be sure of your target and what is beyond. Never point a firearm at anything you are not willing to destroy. Always keep the firearm pointed down range at the trap.
3. Keep your finger straight and off the trigger until your sights are on target and you are ready to shoot.

Firearm Handling

1. Only unloaded cased or holstered firearms may be brought on Morr Range property.
2. Only firearms that have been properly maintained should be used.
3. Only remove the unloaded firearm from its case on the bench inside the stall of the range lane. Firearms are only to be handled inside the stall. Always keep the firearm pointed down range.
4. Keep the action open and visible while unloaded.
5. Only one firearm and the appropriate ammunition should be on the bench at one time.
6. Do not transfer uncased firearms from lane to lane. Do not pass firearms directly from person to person. Place the unloaded firearm on the bench and allow the next person to pick it up.
7. A maximum of three shooters is permitted in a single lane.
8. For any firearm or ammunition problem (hang fire or squib load), keep the firearm pointed downrange for at least 30 seconds. If you require assistance, signal for the Range Safety Officer (RSO).
9. No rapid fire of a firearm is permitted unless authorized by Morr Range staff.
10. Only remove a firearm from a holster if authorized by Morr Range staff.
11. Targets should be positioned at eye level. Shots should only strike the target, backer and backstop. Cross firing at another lane's target is prohibited.
12. No fully automatic firearms are permitted.

Ammunition

1. Use only the correct ammunition for your firearm as recommended by the manufacturer.
2. All handgun calibers are permitted. Rifle calibers up to 30-06 are permitted any time. Higher calibers will be accommodated during special events. Tracer and incendiary ammunition is prohibited.
3. Slug shotgun shells are permitted. Birdshot, buckshot, black powder and muzzleloaders are prohibited.
4. All rental firearms must use ammunition purchased at the time of rental.

Age Requirements

1. No one under 10 is permitted in the range.
2. Persons 18 or older may buy ammunition for and shoot a long gun with your own waiver.
3. Persons under 21 must have a complete waiver signed and be accompanied by an authorized parent or guardian who is over 21 to shoot a firearm

Health and Safety

1. Smoking and tobacco use is prohibited in the facility. No food, drink or gum is permitted in the range.
2. Anyone under the influence of alcohol, drugs or any substance which may impair you is prohibited.
3. Inform Range staff if you have a medical condition which may cause a safety hazard, such as epilepsy.
4. Women who are pregnant or nursing may only enter the range with Doctor's permission due to the risk of lead exposure.
5. Eye and ear protection is required at all times. We strongly recommend both ear plugs and ear muffs.
6. Shirt, pants and shoes are required. Due to hot brass we suggest using a hat, but no open-toed shoes, no low-cut shirts, and no shorts or baggy clothing that could hamper safe operation of the firearm.

Morr Range LLC Rules and Policies 11-2017

7. We recommend you wash your hands when you leave the range to reduce lead exposure.

Rental Firearms

1. Ammunition for rental firearms must be purchased at the time of the rental.
2. Rentals should be unloaded with the magazine removed and placed in the provided sleeve and tote for transporting to and from the shooting stall.

Damage to the Range

1. You are responsible for repair or replacement costs, as determined by Morr Range, for any damage or destruction you cause to Morr Range property.
2. Any damage or destruction to Morr Range property may result in the revocation of range privileges.

Cleanliness of your area

1. Never place ammunition in the garbage. Place "dud" rounds in the provided bucket.
2. You may collect only your own shell casings in your stall area.
3. If something falls forward of the firing line, do not attempt to retrieve it. Ask the RSO for assistance.
4. Place used targets in the tray and trash in the trash can. Sweep brass forward.

Miscellaneous

1. Everyone must check in and out at the range counter before and after shooting. You must have a valid government issued ID, watch a safety video and have a signed Waiver and Release of Liability on file.
2. Allow one door to close before opening the next one to minimize noise and airflow disruptions.
3. Morr Range LLC reserves the right to inspect and refuse the use of any firearms and ammunition.
4. Only Morr Range approved paper targets may be used.
5. If you exhibit behavior that causes concern or suspicion of being under the influence of drugs or alcohol, you will be refused use of the range.
6. All commands given by the RSO must be followed. If the command "cease fire" is given, stop and wait for further direction. You will likely be instructed to unload your firearm and step back. Do not re-approach the firing line or pick up any firearm until Morr staff gives the "all clear" command.
7. Drawing from a holster is not permitted.
8. If you don't completely understand how to operate your firearm safely, please ask for assistance.
9. You must report all negligent discharges, damages or injuries – no matter how minor – immediately.
10. Report any behaviors or conditions that you feel are unsafe or inappropriate to the RSO immediately.
11. This is a family friendly facility so please respect others with both your language and your behavior.

Morr Range LLC is not responsible for damage or loss to personal equipment used at the range.

Morr Range LLC reserves the right to refuse service to anyone at its discretion. The Range may be closed for maintenance, private parties, special events or training at Morr Range, LLC's sole discretion.

I understand that I have a responsibility to myself and others to use firearms safely and I agree to follow ALL rules of firearm safety at all times while at the range.
